

SPONSORSHIP BROCHURE

22nd International Symposium on Flow Visualization

11–15 July 2027 · Madrid, Spain

A MESSAGE FROM THE CHAIRS

Welcome

Dear Colleagues and Industry Partners,

Flow visualization turns the invisible motion of fluids into images — and for half a century it has driven discovery across aerospace, energy, transport, biomedicine and the environment.

Continuing a tradition that began in Tokyo in 1977, and on behalf of Universidad Carlos III de Madrid, we are delighted to invite you to the **22nd International Symposium on Flow Visualization (ISFV22)**, in Madrid from **11 to 15 July 2027**. ISFV22 celebrates 50 years of the symposium — half a century of progress in experimental and computational flow visualization.

We warmly invite your organization to join us as a sponsor or exhibitor: showcase your products and services, connect with leading scientists and talented young researchers, and help advance our field. We look forward to welcoming you to Madrid.

Prof. Andrea Ianiro
Conference Chair

Prof. Stefano Discetti

ABOUT THE SYMPOSIUM

The symposium at a glance

The **22nd International Symposium on Flow Visualization (ISFV22)** is the latest edition of the ISFV series, first held in Tokyo in 1977. Convened every two to three years, it is the principal international forum dedicated to the science and art of making fluid flows visible.

ISFV22 is hosted by the **Department of Aerospace Engineering at Universidad Carlos III de Madrid** — a María de Maeztu Unit of Excellence — and brings together a focused, international audience of researchers, engineers and industry specialists, marking **50 years of the symposium**, from Tokyo 1977 to Madrid 2027.

TOPICS

FOR SPONSORS & EXHIBITORS

Why sponsor ISFV22?

Sponsoring or exhibiting at ISFV22 places your organization in front of a specialized international community working on flow visualization and measurement.

Reach a focused, international audience in flow visualization and experimental fluid mechanics

Showcase your products, services and measurement technologies

Meet and recruit talented graduate students and early-career researchers

Build your brand alongside a 50-year scientific tradition

Connect directly with leading scientists and decision-makers in the field

Support the advancement of scientific knowledge and research

Days in Madrid

HOST CITY & VENUE

Madrid & the venue

ISFV22 takes place at the Puerta de Toledo campus of Universidad Carlos III de Madrid, in the historic centre of the city — within walking distance of Madrid's main attractions and exceptionally well connected by metro, bus and rail. Madrid pairs world-class museums with vibrant streets, green parks and easy access to UNESCO World Heritage cities such as Toledo and Segovia.

Palacio de Cristal, Parque del Buen Retiro

Museo Nacional del Prado

Toledo — a UNESCO World Heritage city nearby

SPONSORSHIP

Sponsorship packages

We invite companies and institutions to consider one of the packages below. Sponsorship amounts and packages are provisional and will be confirmed.

PACKAGE 1

€2,000

- One conference registration included
- Company / organization listing with logo on the ISFV22 website

PACKAGE 2

€3,500

- Two conference registrations included
- Logo on the ISFV22 website and on promotional signage
- Tabletop exhibit space throughout the conference
- Two vouchers for the conference banquet

PACKAGE 3

€5,000

- Three conference registrations included
- Logo on the ISFV22 website and on promotional signage
- Large booth exhibit space throughout the conference
- Three vouchers for the conference banquet

If you have another idea to support ISFV22, we would be glad to discuss it — tailored opportunities can be arranged to fit your goals.

Segovia — Roman aqueduct, a short trip from Madrid

MORE WAYS TO SUPPORT

Additional opportunities

Beyond the packages, these are single-sponsor opportunities that put your brand on one specific moment or item — separate from the shared logo presence already included in every package. Availability and terms can be arranged with the conference team.

Welcome reception

Greet delegates and brand the opening evening with banners and materials.

Conference banquet

High-visibility branding at the gala dinner, with banners and the chance to host.

Coffee & refreshment breaks

Branded signage at the breaks where delegates gather between sessions.

Lanyards

Your logo on every delegate's lanyard — worn throughout the week.

Name badges

Your logo on every delegate's conference badge.

Charging & Wi-Fi lounge

Your brand on a recharge lounge where delegates power devices and catch up between talks.

Young-researcher grants

Fund travel grants that help students and early-career researchers attend.

Have another idea? If you would like to support ISFV22 in a different way, we would be glad to design an opportunity around your goals.

An evening in the historic centre of Madrid

GET INVOLVED

Become a sponsor

To discuss sponsorship or exhibiting, please get in touch with the conference team. Confirmed sponsors and exhibitors will be listed on the ISFV22 website.

WHEN YOU CONTACT US, PLEASE INCLUDE

- › Company name and contact details
- › Preferred sponsorship package
- › Exhibit or booth requirements, including power needs
- › Company logo and any advertising materials
